

Jersey Horse Driving Society

Despite torrential rain on 7th July, the third and final beach scurry of the summer went ahead as it is not easy to postpone an event which is planned around tidal conditions and the busy Jersey Horse Driving Society calendar.

In both of the two events, the trotting scurry and the any pace scurry the winners of the four classes were Emma Le Marquand driving Pip, Laura Jeffreys driving Charlie, Kim Gallichan driving Chino and Sophie Oliveira with Rocky.. However in the trotting scurry Margaret Robinson also driving Charlie shared first place with her niece Laura both driving the course in the same time down to a tenth of a second.
