

## Jersey Horse Driving Society

The second beach scurry of the season was held at Le Braye on 8<sup>th</sup> June and despite windy weather, the only balls to fly off the cones were due to driver error rather than the wind. Two competitions were held, each split into four classes, open small ponies, open large ponies, novice and junior drivers. The judge for the evening was David Gicquel.

The fastest competitor overall in the trotting scurry was Emma Le Marquand driving Pip to win the small pony class with Leonie Surcouf second driving Rocky, whilst Rocky's owner Lisa Fenlon driving her other pony Buttons was just over a second behind. John Vibert driving Robin won the large pony class from Laura Jeffreys and her mother Sheila Vetier both driving Charlie. The novice class resulted in another win for Rocky, this time being driven by Sophie Oliveira a few seconds ahead of Mark Cobden and Fleur White. Mark enjoyed his first beach scurry with his pony Sonny. In the junior class it was a clear win for the youngest competitor Ellie Carre driving Cracker from Keiran O'Connor and Kim Gallichan. The Any Pace scurry class was driven at such speed that most competitors took between 10-20 seconds off their trotting class time. The overall winner and also winner of the small pony class was Rachelle Bownes driving Hermes with Emma Le Marquand driving Pip only .07 second slower. Ellen Littlechild with Homer took third place. In the large pony class Charlie driven by Laura Jeffreys and Margaret Robinson took first and second places with John Vibert and Robin coming third. It was a second win for Sophie Oliveira with Rocky and Mark Cobden and Fleur White once again placing second and third. The junior class had a winner with Kieran O'Connor with Ellie in second and Kim in third place.
