

Jersey Horse Driving Society

Twenty two competitors sharing ten ponies competed in the second Beach Scurry of the Summer on 17th June held at Le Braye and judged by Catherine Peters.

In the Trotting Scurry faults were given to at least half the drivers for either breaking pace or knocking down cones or the tennis balls that were placed on top of the cones. Five faults in the form of added seconds are given for each of these errors. These are added to the time taken, so it is often the fastest rather than a clear round that wins. In the Any Pace Scurry the ponies can stretch their legs and can be up to 20 seconds faster than in the trotting class. The fastest clear round of the evening in the Trotting Scurry was Felicity Rabet driving her sister's pony Pip whilst Rachelle Bownes' fast round in the Any Pace Scurry won her first place with a clear round in less than a minute. The other class winners in the Trotting Scurry were Sheila Vetier, Carl Gallichan and Ellie Carre and in the Any Pace, David Gallichan, Laura Vetier, Kieran O'Connor and Kim Gallichan.
