

Trophy Nominations Explained:

Many of the JHDS Annual trophies do not require nominations and you are automatically entered for these trophies.

The trophies detailed overleaf are the ones which you will not automatically be entered for and in order to compete for these trophies you are required to complete and return the Nomination form.

For the Singles Trophy both the Driver and Horse/Pony's name must be completed, this is due to the trophy being awarded to the Driver gaining the most points throughout the season from all events with one specified Horse/Pony. If you have more than one Horse/Pony then you will need to choose which one you would like to nominate.

Three Drivers are required for the Holly Team Challenge Trophy. One member of the team must be a Senior Driver. All points earned from each of the team member over the 2009/2010 season are added together to produce a team score at the end of the season, the team with the most points will be awarded this trophy.

Please ensure that you complete and return the Nomination form on time in order for you to start collecting points.

Once a Nomination has been submitted it can't be changed.
